

# Call for Participation

The ICA Commission on Map Production and Geobusiness and our host, the Austrian Federal Office for Metrology and Surveying, is pleased to invite You to the International Symposium on Service-Oriented Mapping in Vienna from November 22nd to 23rd 2012. [<http://somap.cartography.at>]

Symposium on Service-Oriented Mapping  
**SOMAP 2012**  
Vienna, November 22-23 2012

**FOCUS** Map production makes use of cross-linked spatial data infrastructures and -sensors more and more. These Service-Oriented Architectures (SOA) call for new modes of thought, which influence all areas of map production, e.g. geospatial recording, map design, map compilation, geodata providing, cooperations, printing, publishing, libraries and archives. This symposium offers a framework to present, exchange and discuss essential developments, perspectives and actual best-practices of service-oriented map production.

**DATES** We welcome your participation and look forward to your registration via the website. If you intend to submit a contribution, please follow the guidelines (see website) and the following deadlines:

**The registration is open [[somap.cartography.at](http://somap.cartography.at)].**  
**Abstract Deadline: June 1st 2012.**  
**Abstract Author Notification: June 22nd 2012**  
**Full-Paper Deadline: August 3rd 2012.**

The scientific committee is composed of many experts in the area of service-oriented mapping and the list is steadily growing. For detailed information have a look at the SOMAP website.

## COMMITTEE

The symposium is co-organized by several ICA commissions:
